

Material Safety Data Sheet (MSDS) for SpillRemed (Marine)[®]

Identification:	SpillRemed (Marine) [®] (Listed in NCP Schedule of US EPA)*
Manufacturer:	Sarva Bio Remed, LLC 11 N. Willow St., Trenton, NJ 08608
Contact:	Gnanu Aaysola
Phone:	1-877-71-SARVA (1-877-717-2782)
Emergency No.:	1-877-71-SARVA (1-877-717-2782)
Composition:	It is an oleophilic suspension of oil degrading bacterial consortium of marine origin. The oleophilic matrix is of commercially available vegetable oil and is non hazardous.
First Aid	The product is harmless on inhalation. Wash the skin with cold running water if in contact with skin and apply anti-bacterial solution over the area and wash the area with soft liquid or bath soap to remove traces of vegetable oil. If the product is in contact with eye, wash the eye with cold water and contact an eye specialist. If the product is ingested, the person should be treated at a hospital and the doctor should be shown the MSDS.
Fire fighting:	Non hazardous. No special precautions required
Accidental release:	During accidental spill, it will be best to mop the spill and collect it in a safe container. The product may cause the floor slippery and proper precautions should be taken. In case of fire, fire to be controlled by foam.
Handling & storage:	Should be handled with care so that the container is not damaged and the contents are not spilled.
Protection:	No special protection gear necessary during handling. Wear protective gloves and wash hands with soap water and anti bacterial solution.
Properties:	Spillremed (Marine) is a 5% suspension of vegetable oil with sea water containing a consortium of oil degrading bacteria. It is not flammable or hazardous. Product pH is between 6.5 and 8.5
Stability & reactivity:	The product is stable over a long period of time if stored at 32° to 92° F in well ventilated area away from open flame.
Ecotoxicology:	If spilled in marine or fresh water environment, it is not harmful, since it is not toxic to marine life as determined by an independent laboratory.
Disposal:	Product can be disposed off in normal manner as per state & federal laws for such products.
Transportation:	Road, air and ship.

The information contained in this document is provided without any warranty, expressed or implied. Sarva Bio Remed disclaims any liability for loss or damage incurred by use of this product. For proper disposal of SpillRemed contact the proper authorities in your local area.

Disclaimer: SpillRemed (Marine)[®] is on the US EPA's NCP Product Schedule. This listing does not mean that EPA approves, recommends, licenses, certifies or authorizes the use of SpillRemed (Marine)[®] on an oil discharge. This listing means only that data have been submitted to the US EPA as required by subpart J of the National Contingency Plan 40 CFR Section 300.915
